## YOUR WEDDING

The following is some general information about your wedding at Mayflower Congregational Church. If you have additional questions, please call the Church office (484-3139). The Church Secretary can answer your questions or put you in touch with the person who can help you.

If you have not already done so, fill out and return the Wedding Information Form (see below) AND the application for use of the building. The building is not reserved for your use until the application form is returned and the fees are paid. Be sure to schedule your rehearsal date as well as your wedding date.

If your florist will be delivering flowers to the church, please tell them to call the church office during business hours (9 am-noon, Mon.-Fri.) several days before the ceremony to arrange for the building to be open for delivery. Guests may not throw rice or anything else at the bride and groom inside the church. They may use soap bubbles outside.

Candle holders are available for the altar and in free-standing candelabra. Ask about these if you would like to use them.
